Detail of Plumen 003 LED Bulb

PLUMEN 003
LED LIGHT BULB

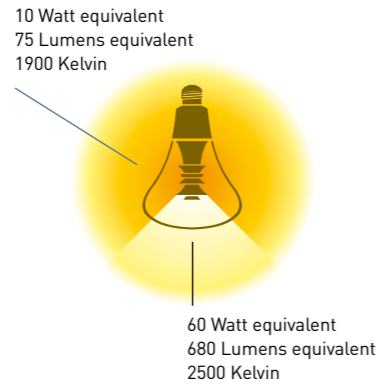

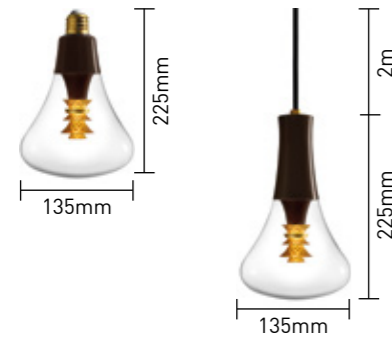

The Plumen 003 is not just beautiful to look at, it makes you and your surroundings look beautiful too. A hybrid lamp that combines the functional benefits of a spotlight with the warm, flattering omnidirectional glow of an accent light; the 003 is a new format of LED bulb.

The 003 is a centrepiece lamp that creates an atmosphere as the focal point of any interior; the jewelled facets sparkle and there's a magical feel in the reflected light. It's perfect to be hung over a dining table, bar or bedside cabinet.

The Plumen 003 was designed by HULGER, Claire Norcross and Marie Laure Giroux.

Specification

- 250 Lumen (see graphic above)

PLUMEN 002 LED LIGHT BULB

The Original Plumen 002 LED is an accent lamp, setting the tone of a room with its warm atmospheric glow.

Perfect for anyone looking for an alternative to the traditional Edison designs, the 002 LED works beautifully alone, in series or when paired with a pendant, table light or wall sconce.

Like all Plumen bulbs the 002 LED is efficient - using 80% less energy and lasting 10 times longer than a standard incandescent bulb.

Designed by HULGER and Bertrand Clerc.

Specification

- 245 Lumen
- 10,000 Hours lifetime
- 4W
- Dimmable
- 2200k
- CRI → 80
- Available in E27, B22 or E26
- Available in 230v and 120v
- UL and CE certified

PLUMEN 001

CFL LIGHT BULB
ORIGINAL + BABY

The Original Plumen 001 is the world's first designer low energy light bulb. The multi-award winning design encourages you to consume less energy by celebrating the new technology. The Original 001 is a bulb to take pride of place, not be hidden away.

The Baby 001 has the same unique design as the Original 001 but in a more compact shape, making it perfect for smaller fixtures and fittings.

Both designs use 80% less energy and last 8 times longer than a traditional incandescent bulb.

Designed by HULGER and Samuel Wilkinson.

PLUMEN DROP CAP PENDANT

The Drop Cap Pendant is a tailor-made accessory for Plumen bulbs – the metal cover sits over the lamp holder and the bulb ballast to perfectly frame each of the unique designs.

Along with the ceiling rose, lamp holder and metal cover, the pendant comes with 2m of matching fabric cable, which can be adjusted as required.

PLUMEN DROP TOP SHADE

The Drop Top Shade is a mouth-blown glass shade that softens the brightness of the bulb from the side while fully illuminating the surface below. The glass allows you to enjoy the unique form of any Plumen bulb, making this a beautiful yet practical shade for every application.

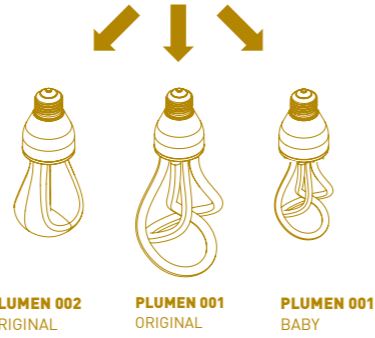

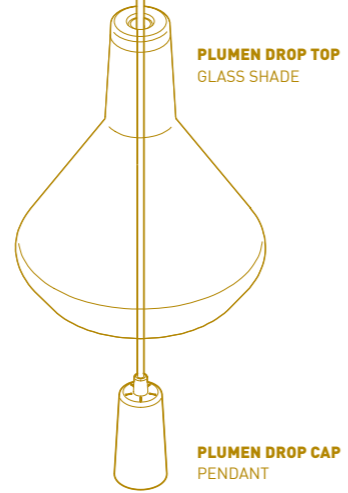

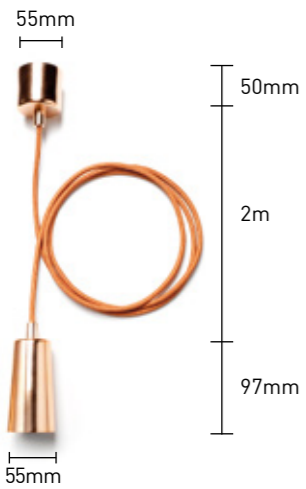

The Drop Top Shade is made up of a Drop Top Shade, Drop Cap Pendant and a Plumen bulb. It is part of the Plumen Modular Collection, designed to be used with the Original 001, Baby 001 or 002 LED bulbs.

Designed by HULGER

Specification

Made from glass
Weight 1.5kg

- White Shade + White Pendant
- Black Shade + Black Pendant
- Amber Shade + Copper Pendant
- Amber Shade + Black Pendant

PLUMEN DROP HAT SHADE

The Drop Hat Shade is a sleek metal disc, ideal for those who want to enjoy the beauty of a bare bulb in a refined and effortless lighting piece. Perfectly proportioned for Plumen bulbs, the Drop Hat creates stunning reflections and coloured glows, adding ambience to any space. Used in groups, the Drop Hat also creates a striking architectural gesture.

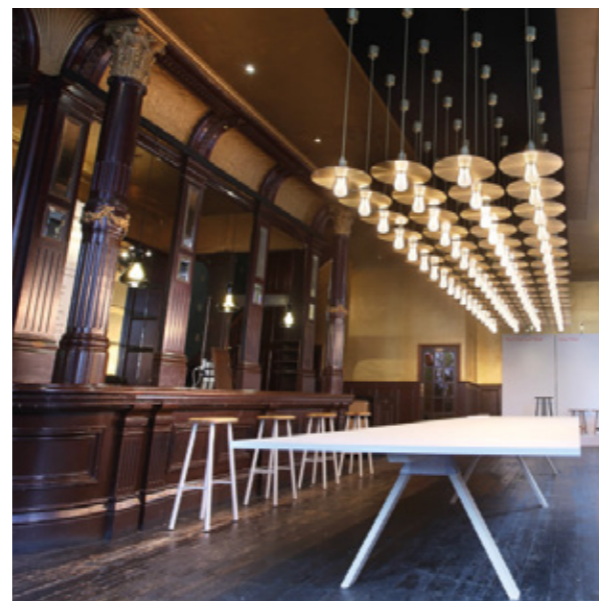

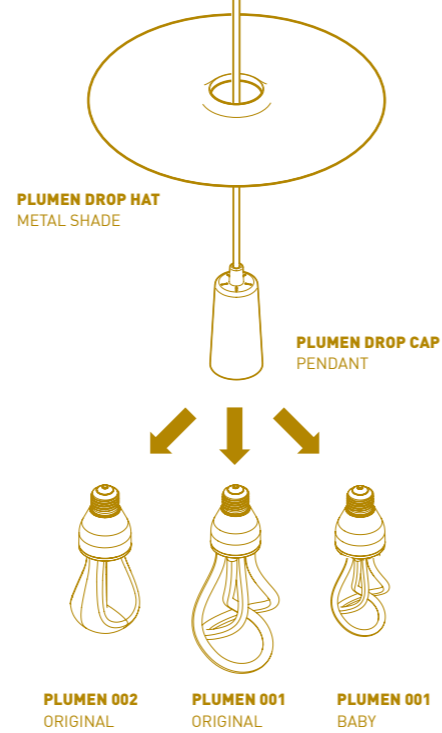

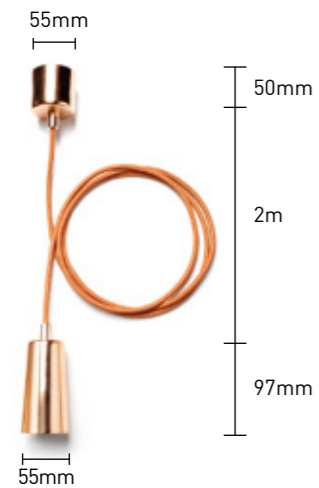

The Drop Hat Shade is made up of a Drop Hat Shade, Drop Cap Pendant and a Plumen bulb. It is part of the Plumen Modular Collection, designed to be used with the Original 001, Baby 001 or 002 LED bulbs.

CHANDELIERS

Plumen Chandeliers are affordable but beautiful lighting centrepieces, perfect over a dining table, breakfast bar or in a hallway. They work equally well in commercial environments, setting the tone for any bar, restaurant, coffee shop or hotel.

Available in three formats - Drop Cap Pendant, Drop Hat Shades and Drop Top Shades - there is a solution for every situation.

Each version is available in a three or four-way combination and can be paired with any Plumen bulb. The cables can be adjusted to any length, giving you the freedom to design a solution for any space - please talk to the Plumen team for any projects requiring more than 2m of cable.

For dimensions or technical specifications of any of our accessories or chandeliers, please email sales@plumen.com for more information.
